# Cookie Policy

## Extensive informative on Cookies

Cookies are portions of codes installed inside the browser and assist the Owner in offering the service requested. Some Cookie installation requests may require the users' consent.

Cookie Use

This website uses cookies to make the navigational experience simple and efficient to the users' needs.

The users that utilize the website will see the minimum quantity of information in the computers or mobile devices used, divided into small files called "cookies" saved in the user's web browser directory.

If some cookies are disabled, any of the web's functions may not work correctly.

There are various types of cookies, some to facilitate the website's use, and others to enable determined functions.

Our cookies memorize the entered preferences to avoid reentering the same information more times and analyze the website's use to optimize the navigation experience.

## Types of cookies used on this website

### Technical Cookies

This type of cookie is strictly necessary for the correct functioning of some sections of the website. They are divided into two categories: persistent and session:

- Persistent: Once the browser is closed, they are not destroyed but remain active until a previously established expiration date.
- Session: They are destroyed every time the browser is closed.

These cookies are always sent from our dominion and are necessary to visualize the website correctly. Concerning the technical services offered, these cookies will regularly

be used and sent unless the user does not modify the browser (invalidating the web pages' visualization.)

**Analytical cookies**

These cookies are used to collect information about the websites' use.

This information is used to perform anonymous statistical analyses to improve the websites' use and make the contents more interesting and relevant to users' desires.

This type of cookie collects data in an anonymous form about its activity and how it came to be on the website. Analytical cookies are sent by the website or by third-party domains.

**Third-party service analysis cookies**

These cookies are used to collect anonymous information about the users' usage of the website, like: visited pages, usage times, traffic origins, geographical origin, age, genres, and interests - all for marketing campaigns. These cookies are sent from external third-party domains.

**Cookies to integrate products and software functions of third parties**

This type of cookie integrates developed functions on the inside of the website's pages just like the icons and the preferences expressed on social networks to share the contents of the website or for the use of software services of third parties (software to generate maps and additional software that offer other services.) These cookies are sent by third-party domains and partner websites that offer their uses throughout the website's pages.

**Profiling cookies**

Cookies necessary to create user profiles to send advertising messages in line with the users' preferences on the websites' inside pages.

We do not use profiling cookies on our website.

## Types of cookies used on this website

On this website, under the laws in the act, we do not require user consent for technical cookies as they are necessary for the service provided.

For all other types of cookies used, consent may be expressed by one or more methods:

- Through specific browser configurations or the relative IT programs used to navigate the pages of the website.
- Through the modification of the settings on the use of the services by third parties.

This solution may prevent the user from using or visualizing some portions of the website.

## Third-party websites and services

The website may contain connections to other websites with their specific privacy policy that can be different from those adopted on this website.

## Saving preferences, optimization, and statistics

The use of cookies to save navigation preferences and optimize the navigational experience of the user. Amongst these cookies, we can find language and currency.

How to disable the cookies through browser configurations

Each browser has specific indications to configure cookies.
